What you can expect from today's session:

- 1 A look at some student activity ideas for young learners
- 2 Thinking about "offline" activities or observational grading in Schoology
- 3 A recording! You'll get an email within 24 hours with a link to the recording.
- 4 Q&A topics: with so many people on the call, we'll try to publicly answer frequently posted questions, but . . .

Quick Tip!

We have a NEW public group in Schoology for those of you who are "New2SGY"!

This is supported by some of our amazing Ambassadors as well as internal teams.

The screenshot shows the Schoology Groups interface. At the top, there are tabs for 'My Groups', 'School Groups', and 'Public Groups'. Below the tabs, there is a green checkmark icon and the text 'Join Public Groups to interact with other educators'. The main content is a grid of public groups, each with an icon, a title, and a member count. The groups listed are:
