- 1 A look at some tips and tricks that you might not know about in Schoology
- 2 Links and resources for more info on these tips and tricks
- 3 A recording! You'll get an email within 24 hours with a link to the recording.

Quick Tip!

We have a NEW public group in Schoology for those of you who are "New2SGY"!

This is supported by some of our amazing Ambassadors as well as internal teams.

The screenshot shows the 'Groups' page in Schoology. At the top, there are tabs for 'My Groups', 'School Groups', and 'Public Groups'. Below the tabs, there is a green checkmark icon and the text 'Join Public Groups to interact with other educators'. The main content area displays a grid of public groups, each with an icon, a title, and a member count. A green arrow points from the 'PowerSchool' logo at the bottom left towards the 'New 2 SGY' group at the bottom of the grid.

Love the little **green** line. Showed staff that at the beginning of the year and people who had been using @Schoolology for three years were like, "Wait, show me that again!" #SchoolologyChat

Rich Text Editor Tips: Embed Code/HTML

Paul Schlangen @MrSchlangen

A2: Aside from things like YouTube, embedding @quizlet gives quick access to decks of flashcards so students don't have to leave @Schoolology. Also @PhETsims are great for science and math courses! Look for **embed** codes or make your own with iframe-generator.com #SchoolologyChat

Natasha MD @TashaRTW44

@stacys6808 @Schoolology I **embed** just about everything! Keeps students in one place and a little more focused. #schoolologychat

Glen Irvin Flores  SOON #BackToSchool @irvspansh ·

Embed a Countdown Timer in @Schoolology ! youtu.be/tiOzrDWh5Bo Here is the website that I would use to customize the **embed** code for the countdown timeanddate.com/clocks/freecou... Share, Subscribe & Like the video if it helps you! #SchoolologyChat #SchoolologyAMB

Completion Rules

•🌟🌟Lauren Hawkins🌟🌟 @EdTechHawk

Yes! I love the **Completion** Rules, especially the "Must View" for Pages. I post videos on Pages, and use the Rules to verify they've seen it. If needed, the video is also on the Assignment Description for reference [#SchoolologyChat](#).

Personal Resources

 **Mike Washburn** @misterwashburn
A6: **RESOURCES ARE EVERYTHING.** How you organize them, use them, what you put in them, how you export them to your class. EVERYTHING. Love your **resource** folders and they will love you back. #SchoolyChat

 **Arcadia Parson** @TechWithParson
How are you wrapping up your @Schooly school year? Today I am saving courses into my **resources**. Even though I have my archive, I like the idea of being able to save a snapshot of a class as a **resource** for next year! #SchoolyNext #SchoolyTip #edtech #SchoolyChat

 **Stephen Rao** @sterao8
A4: **Resources Resources Resources.** I create a group to collect and share #GameTheory units with a "How To" video guide. #SchoolyChat

A screenshot of a Schooly resource group page titled 'Game Theory units'. The page shows a list of resources categorized by grade level: Kindergarten, First Grade, and Second Grade. Each resource has a title, a description, and a date added. There are also options to 'Add Resources' and 'Options'.

 **Tina Nording** @TNording
A4: I couldn't live without the feature of copying to another course or **resources**. Love being able to store my course over the summer & reuse and adapt for the next year! Priceless! #schoolychat

 **Beth Box** @bdubbox
I love that I can share my **resources** with everyone It's so nice to say "I'll just share it with you on @Schooly" I also love the integration with @googledrive It's so easy for my students to work collaboratively while still being housed in Schooly #SchoolyChat #SchoolyAMB
